

Welcome to Boxall's Family News!

We are blessed to share with you our very first family newsletter. As we prepare to step out in faith, to start up our own ministry in Sierra Leone, we want to share with you our vision for the future, with hope that you will join us together on our journey.

Chris Boxall (Dad) has recently joined us in Sierra Leone, where both Joe and Sarah and his Ugandan Daughter Elizabeth live, along with their adopted Son Matthew. Chris was the founder of LVCH Children's home, based in Uganda, until he suffered a severe stroke and was left bound to a wheelchair, with limited communications.

Together, we have in access of 40 years' experience working in missions in Africa and now plan to move on ahead in utilising our family home (Hope House) for ministry and kingdom business.

Background Information

Joe and Sarah headed for Sierra Leone, West Africa October 2015, where they worked to pioneer a village (Destiny Village), with founder of Home Leone and Mission Direct Nigel Hyde.

Our mission was to move people from the slums of the capitals Freetown, into affordable low-cost housing. Please visit our website www.homeleone.org for more information.

Over time our efforts have proven successful, and we now have a thriving community, that has continued to grow.

During our time we have also worked with fellow missionaries to set up an International Church Service, which runs from our home, Hope House.

Our mission is to bring the heart of Christ to alleviate the suffering of the most vulnerable, meeting their needs through our core mission projects, as follows.

Our Giving Accounts with STEWARDSHIP-

To enable us to continue, we ask that you may prayerfully consider supporting our ministry in Sierra Leone. Recently both Joe and Sarah have set up their own “Personal Partner Account and a Church & Charities Account” with an organisation called STEWARDSHIP.

Receiving funds through an organisation means that we can work towards making our God given vision a reality!

About Stewardship

In 1906, Stewardship was created by a small group of Christians uniting to release generous gifts and financial support to Christian ministries in the UK and overseas. Their services enable donors to make one off or regular payments to individuals, charities and churches, sanctioning transparency, and accountability for funds.
